

FAST KILL & PROTECT

With the increasing number of **confirmed Covid19 cases** in Singapore and over **200 countries** worldwide, we are in a position to protect homes & offices in the current outbreak and beyond.

Until a vaccine is readily available, the **best gift** we can provide for our employees and clients is a **virus free office**. It ensures business continuity and minimise disruption to our business.

Premier Eco -Care is a leading fumigation company in Singapore with *over 13 years* of specialisation in **fumigation and misting**.

To address this critical situation, "**Fast Kill & Protect**", is a unique & effective disinfecting service that ensures a comprehensive defense for your premise and assets.
